### **RECOMMENDATION**

*The following recommendation is made prior to the public hearing and is subject to change based upon testimony and/or documentary evidence presented at the public hearing:*

LA County Planning staff ("Staff") recommends **CONTINUANCE** of Project Number PRJ2023-001922-(1), Conditional Use Permit ("CUP") Number RPPL2023002798.

Staff recommends the following motion:

I, THE HEARING OFFICER, CONTINUE PROJECT NUMBER PRJ2023-001922-(1),  
CONDITIONAL USE PERMIT NUMBER RPPL2023002798 TO APRIL 2, 2024.

### **BACKGROUND**

CUP RPPL2023002798 is a request to authorize the continued use and operation of an existing Wireless Communications Facility ("WCF") consisting of a 70-foot high mono-pine tree located in the R-A-10,000 (Residential Agricultural - 10,000 Square Feet Minimum Required Lot Area) zone pursuant to County Code Section 22.18.030.C.1 (Principal Use Regulations for Residential Zones).

A duly noticed public hearing was conducted for the Project via video conferencing and in-person on December 5, 2023. To provide time for the applicant to obtain required signatures on the Ownership and Consent Affidavit and for the applicant to communicate with the property owner, the Hearing Officer continued the matter to February 6, 2024.

On January 12, 2024, Staff received an email from the applicant stating that the Ownership and Consent Affidavit must still be signed and that the plans will also be revised. The applicant requested a continuance of the public hearing until April 2, 2024.
