PROJECT OVERVIEW

A Tentative Parcel Map for a reversion to acreage of an existing industrial lot currently developed with 23 attached commercial/industrial condominium units within two existing buildings on 3.6 gross acres. The two existing buildings will be demolished. The internal private driveway and fire lane, existing parking and loading areas will be removed. The existing eight-foot-high wrought-iron fencing and gates, chain-link fencing, and vegetation around the project site will remain. The previously subdivided air space will be merged, resulting in one vacant industrial lot with no development or grading proposed as part of this project scope.
