**FEBRUARY 19, 2025, MEETING AGENDA ITEM NO. 10(a) – REQUEST TO CANCEL
MARCH 5, 2025, MEETING**

A public hearing regarding Project No. R2011-01126-(3) was initially scheduled for the February 5, 2025, Regional Planning Commission (“Commission”) meeting. In a Report to the Commission dated January 23, 2025, Staff recommended that the public hearing be continued to March 5, 2025, because the Palisades Fire occurred in the Project area and the continuance would ensure that the surrounding community has an opportunity to participate in the public hearing process. In a Supplemental Report to the Commission dated January 31, 2025, Staff recommended that the public hearing be continued to March 19, 2025, instead of March 5, 2025, because Staff had been advised that Commissioner O'Connor cannot attend the March 5, 2025, Commission meeting.

At this time, no other projects can be scheduled for a public hearing at the March 5, 2025, Commission meeting. Therefore, Staff is requesting that the March 5, 2025, Commission meeting be cancelled.
