FINDINGS OF THE HEARING OFFICER
AND ORDER
PROJECT NO. PRJ2023-004185-(1)
CONDITIONAL USE PERMIT NO. RPPL2023006192

RECITALS

1. **HEARING DATE.** The Los Angeles County (“County”) Hearing Officer conducted a duly noticed public hearing in the matter of Conditional Use Permit (“CUP”) No. **RPPL2023006192** on October 15, 2024.
2. **HEARING PROCEEDINGS.** A duly noticed public hearing was held on October 15, 2024, before the Hearing Officer. Hearing Officer Gina Natoli was in attendance for the public hearing. The applicant’s representative, Sorin Alexanian, was present via teleconference. Mr. Alexanian provided testimony confirming the restaurant’s operating hours and requested that the CUP grant term be extended to either 15 or 20 years because the restaurant has been in business for more than 21 years and has operated without any issues. Ms. Natoli agreed to give a 15 year grant term for the CUP. There being no further testimony, Ms. Kim closed the public hearing and approved the Project.
3. **ENTITLEMENT REQUESTED.** The permittee, Kyungran Chang ("permittee"), requests the CUP to authorize the sale of on-site beer and wine for on-site consumption ("Project") at an existing restaurant (“Jang Ga Nae”) located in a commercial shopping center at 1722 Desire Avenue, Suite 108 in the unincorporated community of Rowland Heights ("Project Site") in the C-1 (Restricted Business) zone pursuant to Los Angeles County Code ("County Code") Section 22.20.030 C (Land Use Regulations for Commercial Zones). The restaurant’s hours of operation are 11:30 a.m. to 9:30 p.m., seven days a week. Alcohol sales shall be limited to 10:00 a.m. to 10:00 p.m., seven days a week and shall not be allowed outside of the restaurant’s regular operating hours.
4. **PREVIOUS ENTITLEMENT(S).** CUP No. 03-066, approved October 29, 2003, and expired December 17, 2018, authorized the sale of beer and wine for on-site consumption at an existing restaurant.
5. **LAND USE DESIGNATION*.** The Project Site is located within the C (Commercial) land use category of the Rowland Heights Community Plan (“Community Plan”) Land Use Policy Map, a component of the Los Angeles County General Plan (“General Plan”). On May 21, 2024, the Community Plan was rescinded with the adoption of the East San Gabriel Valley Area Plan (“Area Plan”). However, since the subject CUP application was deemed complete prior to the adoption of the Area Plan, the CUP is still being reviewed and analyzed under the Community Plan.

* Note: On May 21, 2024, the Rowland Heights Community Plan (“Community Plan”) was rescinded with the adoption of the East San Gabriel Valley Area Plan (“Area Plan”). However, since the subject CUP application was deemed complete prior to the adoption of the Area Plan, the CUP is still being reviewed and analyzed under the Community Plan.

6. **ZONING.** The Project Site is located in the Puente Zoned District and the Rowland Heights Community Standards District (“CSD”) and is currently zoned C-1. Pursuant to County Code Section 22.20.030 C (Land Use Regulations for Commercial Zones), a CUP is required for the sale of alcoholic beverages for on-site consumption.

8. PROJECT AND SITE PLAN DESCRIPTION.

A. Existing Site Conditions

The Project Site consisting of the subject shopping center is 1.02 acres in size and consists of one legal lot. The Project Site is rectangular in shape with flat topography and is developed with a multi-tenant shopping center.

B. Site Access

The Project Site is accessible via Colima Road, a 100-foot wide Major Highway on the County Master Plan of Highways to the north. Primary access to the Project Site is via entrances/exits on Colima Road. Secondary access to the Project Site is via

entrances/exits on Desire Avenue, a 39-foot private street on the County Master Plan of Highways.

C. Site Plan

The site plan depicts the subject restaurant located at the southeast corner of Colima Road and Desire Avenue as a multi-tenant shopping center consisting of two buildings. Parking is provided by surface parking lots in front of and behind the shopping center structure. The subject restaurant is located in a tenant space within the shopping center. The restaurant's floor plan depicts the dining area where food and beverage service occur.

D. Parking

The subject shopping center provides 111 parking spaces on a surface parking lot. The restaurant requires 13 parking spaces.

9. CEQA DETERMINATION.

Prior to the Hearing Officer's public hearing on the Project, LA County Planning staff determined that the Project qualified for a Class 1, Existing Facilities, categorical exemption from the California Environmental Quality Act (Public Resources Code section 21000, et seq.) ("CEQA"), the State CEQA Guidelines, and the Environmental Document Reporting Procedures and Guidelines for the County, because the Project involved the sale of on-site beer and wine for on-site consumption at an existing restaurant which will be an accessory service to the restaurant's food service and does not change the restaurant's current operations. Additionally, the Project Site is not located within or in close proximity to an environmentally sensitive area, a hazardous waste site, nor designated historic district. There are also no significant or unusual environmental impacts associated with the Project. The size and scope of the Project will not cause any cumulative environmental impacts to the area. Thus, there are no exceptions to the identified exemption.

10. PUBLIC COMMENTS.

Prior to the publication of the Report to the Hearing Officer, LA County Planning staff received a petition with 51 signatures in support of the Project.

Rowland Heights Community Coordinating Council

The Rowland Heights Community Coordinating Council has reviewed the Project and had recommended approval of the CUP request.

11. AGENCY RECOMMENDATIONS.

A. County Sheriff's Department: Recommended approval in a letter received March 26, 2024.

12. LEGAL NOTIFICATION. Pursuant to Section 22.222.120 (Public Hearing Procedure of the County Code, the community was properly notified of the public hearing by mail, newspaper (*San Gabriel Valley Tribune*), and property posting. Additionally, the Project was noticed and case materials were available on LA County Planning's website. On August 28, 2024, a total of 118 Notices of Public Hearing were mailed to all property owners as identified on the County Assessor's record within a 500-foot

radius from the Project Site, as well as 11 notices to those on the courtesy mailing list for the Puente Zoned District and to any additional interested parties.

GENERAL PLAN CONSISTENCY FINDINGS

13. **LAND USE POLICY.** The Hearing Officer finds that the Project is consistent with the goals and policies of the Community Plan because the C - Commercial land use designation is intended for manufacturing, warehousing, and heavy commercial uses. The sale of beer and wine for on-site consumption at an existing restaurant supports the continued commercial use of the property.

14. **GOALS AND POLICIES.** The Hearing Officer finds that the Project is consistent with the following the goals and policies:

The following policies of the General Plan are applicable to the proposed project:

- *(Policy LU 4.4) Encourage mixed use development along major commercial corridors in urban and suburban areas.*
- *(Policy LU 5.2) Encourage a diversity of commercial and retail services, and public facilities at various scales to meet regional and local needs.*

The Project allows for the sale of beer and wine for on-site consumption at an existing restaurant located in a shopping center along the major commercial corridor of Colima Road. The Project allows the restaurant to provide beer and wine service with its dining services and will help maintain an existing commercial service in the neighborhood.

The following policies of the Community Plan are applicable to the proposed project:

- *(Policy 8.g) All businesses in a center (three establishments or more) should present a general harmony of facades.*

The sale of beer and wine for on-site consumption at an existing restaurant will not affect existing signs or facades of the shopping center. The shopping center currently provides adequate signage and façade appearances.

ZONING CODE CONSISTENCY FINDINGS

15. **PERMITTED USE IN ZONE.** The Hearing Officer finds that the Project is consistent with the C-1 zoning classification as alcoholic beverage sales for on-site consumption is permitted in such zone with a CUP pursuant to County Code Section 22.20.030 C (Land Use Regulations for Commercial Zones).

16. **REQUIRED YARDS.** The Hearing Officer finds that the Project is consistent with the standards identified in County Code Section 22.20.050 (Development Standards for Zone C-1). While the Project is a request for the sale of beer and wine for on-site consumption at an existing restaurant, the subject shopping center provides the required 20-foot front yard setback for the C-1 zone and no physical changes are proposed.

17. **HEIGHT.** The Hearing Officer finds that the Project is consistent with the standard identified in County Code Section 22.20.040 (Development Standards for Commercial Zones). While the Project is a request for the sale of beer and wine for on-site consumption at an existing restaurant, the existing commercial structures do not exceed the maximum height of 35 feet allowed in the C-1 zone.
18. **PARKING.** The Hearing Officer finds that the Project is consistent with the standard identified in County Code Section 22.112.070 (Required Parking Spaces). While the Project is a request for the sale of beer and wine for on-site consumption at an existing restaurant, there are a total of 111 parking spaces provided on a surface parking lot. The subject restaurant requires 13 parking spaces which can be accommodated by the existing parking spaces provided.

CONDITIONAL USE PERMIT FINDINGS

19. **The Hearing Officer finds that the proposed use at the site will not adversely affect the health, peace, comfort, or welfare of persons residing or working in the surrounding area; will not be materially detrimental to the use, enjoyment, or valuation of property of other persons located in the vicinity of the site; and will not jeopardize, endanger, or otherwise constitute a menace to the public health, safety, or general welfare.** The sale of beer and wine for on-site consumption at an existing restaurant will not be detrimental to the surrounding area. The restaurant is located in a multi-tenant, commercial shopping center and the subject restaurant does not directly face any nearby residences and is buffered from nearby residences by landscaping, streets, and parking lots.
20. **The Hearing Officer finds that the proposed site is adequate in size and shape to accommodate the yards, walls, fences, parking and loading facilities, landscaping and other development features prescribed in Title 22 of the County Code, or as is otherwise required in order to integrate said use with the uses in the surrounding area.** The Project Site is located in an existing shopping center that has been previously approved in conformance with all development standards prescribed under Title 22 (Planning and Zoning) of the County Code. No physical expansion or changes are proposed as part of the Project.
21. **The Hearing Officer finds that the proposed site is adequately served by highways or streets of sufficient width and improved as necessary to carry the kind and quantity of traffic such use would generate, and by other public or private service facilities as are required.** The Project Site is located along Colima Road which can handle all vehicular traffic generated by the businesses in the shopping center. The Project Site is serviced by all necessary public services and utilities that are needed for the Project Site's tenants.
22. The Hearing Officer finds that to ensure continued compatibility between the Project and the surrounding land uses, it is necessary to limit the CUP to 15 years.

SUPPLEMENTAL FINDINGS

23. **The Hearing Officer finds that the requested use at the proposed location will not adversely affect the use of a place used exclusively for religious worship, school, park, playground, or any similar use within a 600-foot radius.** There is one church and one school located within a 600-foot radius of the Project Site. The front entrances of the subject restaurant and shopping center are oriented away from these sensitive uses and there is no direct access between the shopping center and these sensitive uses.
24. **The Hearing Officer finds that the requested use at the proposed location is sufficiently buffered in relation to any residential area within the immediate vicinity, so as not to adversely affect said area.** The front entrances of the shopping center and the subject restaurant do not directly face any adjacent residences. The subject restaurant is buffered from nearby residences by landscaping, streets, and parking lots.
25. **The Hearing Officer finds that the requested use at the proposed location will not adversely affect the economic welfare of the nearby community.** The project may enhance the economic welfare of the restaurant and will provide a complementary beverage service that is customary at a restaurant. Other restaurants in the shopping center also serve alcoholic beverages for on-site consumption and the Project contributes to creating a vibrant shopping center.
26. **The Hearing Officer finds that the exterior appearance of the structure will not be inconsistent with the exterior appearance of commercial structures already constructed or under construction within the immediate neighborhood, so as to cause blight, deterioration, or substantially diminish or impair property values within the neighborhood.** The sale of beer and wine for on-site consumption at the restaurant would not alter the existing exterior appearance of the shopping center's structure.
27. **The Hearing Officer finds that even though the proposed sale of alcohol would occur at a site within a high crime reporting district, pursuant to the California Alcoholic Beverage Control Act and the regulations adopted under that Act, the sale of alcohol at the subject property contributes to the public convenience or necessity.** Statistical data from the California Department of Alcoholic Beverage Control ("ABC") report that the subject shopping center is located in a high crime reporting district, defined as having a 20 percent greater number of reported crimes than the average number of reported crimes of other reporting districts. The sale of beer and wine for on-site consumption at the restaurant is a complementary and expected service for the type of cuisine being served at the restaurant. Other restaurants within the subject shopping center and adjacent shopping centers also serve alcoholic beverages for on-site consumption as part of their dining service. By providing beer and wine for on-site consumption, the restaurant can provide a public convenience to its customers by offering beverage service that is similar to other nearby restaurants. The subject shopping center is not located in a census tract with an overconcentration of on-site alcohol licenses. Five on-site alcohol licenses exist in the census tract and six licenses are allowed; granting of this CUP would be the sixth on-site alcohol license.

In addition, the Sheriff reports there have only been calls for alarm activations and routine calls at the Project Site, and has no specific concerns about the Project.

ENVIRONMENTAL FINDINGS

28. The Hearing Officer finds that the Project is exempt from the California Environmental Quality Act pursuant to State CEQA Guidelines section 15301 (Class 1, Existing Facilities categorical exemption). The sale of on-site beer and wine for on-site consumption at an existing restaurant will be an accessory service to the restaurant's food service and does not change the restaurant's current operations. Additionally, the Project Site is not located within or in close proximity to an environmentally sensitive area, a hazardous waste site, nor designated historic district. There are also no significant or unusual environmental impacts associated with the Project. The size and scope of the Project will not cause any cumulative environmental impacts to the area. Thus, there are no exceptions to the identified exemption.

ADMINISTRATIVE FINDINGS

29. **LOCATION OF DOCUMENTS.** The location of the documents and other materials constituting the record of proceedings upon which the Hearing Officer's decision is based in this matter is at LA County Planning, 13th Floor, Hall of Records, 320 West Temple Street, Los Angeles, California 90012. The custodian of such documents and materials shall be the Section Head of the Puente Whittier Development Services Section, LA County Planning.

BASED ON THE FOREGOING, THE HEARING OFFICER CONCLUDES THAT:

- A. The proposed use with the attached conditions will be consistent with the adopted General Plan.
- B. The proposed use at the site will not adversely affect the health, peace, comfort or welfare of persons residing or working in the surrounding area, will not be materially detrimental to the use, enjoyment or valuation of property of other persons located in the vicinity of the site, and will not jeopardize, endanger or otherwise constitute a menace to the public health, safety or general welfare.
- C. The site is adequate in size and shape to accommodate the yards, walls, fences, parking and loading facilities, landscaping and other development features prescribed in Title 22, or as is otherwise required in order to integrate said use with the uses in the surrounding area.
- D. The site is adequately served by highways or streets of sufficient width and improved as necessary to carry the kind and quantity of traffic such use would generate, and by other public or private service facilities as are required.
- E. The requested continuation of the existing use at the proposed location will not adversely affect the use of a place used exclusively for religious worship, school, park, playground, or any similar use within a 600-foot radius.

- F. The existing use at the proposed location is sufficiently buffered in relation to any residential area within the immediate vicinity, so as not to adversely affect said area.
- G. The requested continuation of the existing use at the proposed location will not adversely affect the economic welfare of the nearby community.
- H. The exterior appearance of the structure is not inconsistent with the exterior appearance of commercial structures already constructed or under construction within the immediate neighborhood, so as to cause blight, deterioration, or substantially diminish or impair property values within the neighborhood.
- I. Even though the proposed sale of alcohol would occur at a site within a high crime reporting district, pursuant to the California Alcoholic Beverage Control Act and the regulations adopted under that Act, the sale of alcohol at the subject property contributes to the public convenience or necessity.

THEREFORE, THE HEARING OFFICER:

1. Finds that the Project is exempt from the California Environmental Quality Act pursuant to State CEQA Guidelines section 15301 (Class 1, Existing Facilities categorical exemption); and
2. Approves **CONDITIONAL USE PERMIT NO. RPPL2023006192**, subject to the attached conditions.

GENERAL CONDITIONS

1. Unless otherwise apparent from the context, the term “permittee” shall include the applicant, owner of the property, and any other person, corporation, or other entity making use of this grant.
2. This grant shall not be effective for any purpose until the permittee, and the owner of the subject property if other than the permittee, have filed at the office of the Los Angeles County ("County") Department of Regional Planning (“LA County Planning”) their affidavit stating that they are aware of and agree to accept all of the conditions of this grant, and that the conditions of the grant have been recorded as required by Condition No. 6, and until all required monies have been paid pursuant to Condition No. 9. Notwithstanding the foregoing, this Condition No. 2 and Conditions No. 3, 4, and 8 shall be effective immediately upon the date of final approval of this grant by the County.
3. The permittee shall defend, indemnify, and hold harmless the County, its agents, officers, and employees from any claim, action, or proceeding against the County or its agents, officers, or employees to attack, set aside, void, or annul this permit approval, which action is brought within the applicable time period of Government Code section 65009 or any other applicable limitations period. The County shall promptly notify the permittee of any claim, action, or proceeding and the County shall reasonably cooperate in the defense. If the County fails to promptly notify the permittee of any claim, action, or proceeding, or if the County fails to cooperate reasonably in the defense, the permittee shall not thereafter be responsible to defend, indemnify, or hold harmless the County.
4. In the event that any claim, action, or proceeding as described above is filed against the County, the permittee shall within 10 days of the filing make an initial deposit with LA County Planning in the amount of up to \$5,000.00, from which actual costs and expenses shall be billed and deducted for the purpose of defraying the costs or expenses involved in LA County Planning’s cooperation in the defense, including but not limited to, depositions, testimony, and other assistance provided to permittee or permittee's counsel.

If during the litigation process, actual costs or expenses incurred reach 80 percent of the amount on deposit, the permittee shall deposit additional funds sufficient to bring the balance up to the amount of \$5,000.00. There is no limit to the number of supplemental deposits that may be required prior to completion of the litigation.

At the sole discretion of the permittee, the amount of an initial or any supplemental deposit may exceed the minimum amounts defined herein. Additionally, the cost for collection and duplication of records and other related documents shall be paid by the permittee according to County Code Section 2.170.010.

5. If any material provision of this grant is held or declared to be invalid by a court of competent jurisdiction, the permit shall be void and the privileges granted hereunder shall lapse.
6. Prior to the use of this grant, the permittee, or the owner of the subject property if other than the permittee, shall **record the terms and conditions** of the grant in the office of the County Registrar-Recorder/County Clerk ("Recorder"). In addition, upon any transfer or lease of the property during the term of this grant, the permittee, or the owner of the subject property if other than the permittee, shall promptly provide a copy of the grant and its conditions to the transferee or lessee of the subject property.
7. **This grant shall terminate on October 15, 2039.** Entitlement to use of the property thereafter shall be subject to the regulations then in effect. Such application shall be filed at least 12 months prior to the expiration date of this grant and shall be accompanied by the required fee. In the event that the permittee seeks to discontinue or otherwise change the use, notice is hereby given that the use of such property may require additional or different permits and would be subject to the then-applicable regulations.
8. This grant shall expire unless used within two (2) years from the date of final approval of the grant. A single one-year time extension may be requested in writing and with the payment of the applicable fee prior to such expiration date.
9. The subject property shall be maintained and operated in full compliance with the conditions of this grant and any law, statute, ordinance, or other regulation applicable to any development or activity on the subject property. Failure of the permittee to cease any development or activity not in full compliance shall be a violation of these conditions. No provision of any easement or any other encumbrance on the property shall exempt the permittee and/or property owner from compliance with these conditions and applicable regulations. Inspections shall be made to ensure compliance with the conditions of this grant as well as to ensure that any development undertaken on the subject property is in accordance with the approved site plan on file. The permittee shall deposit with the County the sum **\$3,528.00**, which shall be placed in a performance fund and be used exclusively to reimburse LA County Planning for all expenses incurred while inspecting the premises to determine the permittee's compliance with the conditions of this grant. The fund provides for **eight (8)** inspections. Inspections may be unannounced and may be conducted utilizing any available technologies, including, but not limited to, unmanned aircraft systems (UAS).

If additional inspections are required to ensure compliance with the conditions of this grant, or if any inspection discloses that the subject property is being used in violation of any one of the conditions of this grant, the permittee shall be financially responsible and shall reimburse LA County Planning for all additional enforcement efforts necessary to bring the subject property into compliance. The amount charged for additional inspections shall be \$441.00 per inspection, or the current recovery cost established by LA County Planning at the time any additional inspections are required, whichever is greater.

10. Notice is hereby given that any person violating a provision of this grant is guilty of a misdemeanor. Notice is further given that the Regional Planning Commission ("Commission") or a Hearing Officer may, after conducting a public hearing, revoke or modify this grant, if the Commission or Hearing Officer finds that these conditions have been violated or that this grant has been exercised so as to be detrimental to the public's health or safety or so as to be a nuisance, or as otherwise authorized pursuant to Chapter 22.238 of the County Code.

14. The permittee shall maintain the subject property in a neat and orderly fashion. The permittee shall maintain free of litter all areas of the premises over which the permittee has control.
15. All structures, walls and fences open to public view shall remain free of graffiti or other extraneous markings, drawings, or signage that was not approved by LA County Planning. These shall include any of the above that do not directly relate to the business being operated on the premises or that do not provide pertinent information about said premises. The only exceptions shall be seasonal decorations or signage provided under the auspices of a civic or non-profit organization.

In the event of graffiti or other extraneous markings occurring, the permittee shall remove or cover said markings, drawings, or signage within 48 hours of such notification, weather permitting. Paint utilized in covering such markings shall be of a color that matches, as closely as possible, the color of the adjacent surfaces.

16. The subject property shall be developed and maintained in substantial conformance with the plans marked Exhibit "A." If changes to any of the plans marked Exhibit "A" are required as a result of instruction given at the public hearing, a modified Exhibit "A" shall be submitted to LA County Planning by **November 15, 2024**.
17. In the event that subsequent revisions to the approved Exhibit "A" are submitted, the permittee shall submit revised plans to the Director for review and approval. All revised plans must substantially conform to the originally approved Exhibit "A". All revised plans must be accompanied by the written authorization of the property owner(s) and applicable fee for such revision.
18. The conditions of this grant shall always be retained on the premises and shall be immediately produced upon request by any County Sheriff, LA County Planning Zoning Enforcement ("Zoning Enforcement") inspector, or State of California Department of Alcoholic Beverage Control ("ABC") agent. The manager and all employees of the facility shall be knowledgeable of the conditions herein.
