**Project Description:** (please use a separate page if necessary)

The planned improvements at the Main Library include an expansion of the building footprint approximately 700 square feet, interior space reconfigurations, access improvements, seismic retrofit, and replacement of aged building infrastructure to address mechanical (elevator and heating, ventilation, and air conditioning), plumbing (including additional and accessible restrooms), and electrical and structural elements of the facility. Infrastructure improvements are expected to include some modernized Audio Visual spaces with newer technology and updated communications infrastructure and structured cabling. Upgrades to plantings and irrigation and adding outdoor functional spaces are also planned.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
