SUBDIVISION COMMITTEE REPORT

APPLICANT Kenny Hostetler	MAP/EXHIBIT DATE: 5/21/2024	REPORT DATE: 6/20/2024
OWNER Turnbridge Equities, LLC		

PROJECT OVERVIEW

A Tentative Parcel Map for a “Reversion to Acreage”, which requires a minor land division or parcel map. The existing industrial lot is currently developed with an office building (commercial uses) that was previously subdivided into condominium office units. The existing office building will be demolished, and the subdivided air space will be merged, resulting in one industrial lot with no development. No grading is proposed.

RESUBMITTAL INSTRUCTIONS

The following must be followed if a revision to the tentative or exhibit map is required or if additional permit materials are requested in this report:

- Coordinate with the Planner at abaldwin@planning.lacounty.gov regarding the resubmittal of materials. The planner will let you know if an appointment is necessary and assist with the scheduling of one. You may also call (213) 974-6433 and inquire about a re-submittal appointment.
 - Create a cover sheet that lists all the changes made to all maps being resubmitted, responses to the holds listed in this report, the additional application materials being submitted, and the filling of any new permits. Also include any new permit or base application permit numbers (ex. "RPAP202..."). **Map revisions and additional materials will not be taken in without a cover sheet.**
 - Upload a digital copy of the cover sheet and revised materials in EPIC-LA via the [CSS online portal](#) and notify the Planner of the upload.
-

-
- **Note:** Additional permit applications may require additional filling fees and consultation fees. Also, the third and subsequent revisions to the tentative map require additional fees. Please reference the latest Fee Schedule found on our website under “Applications and Forms” ([LINK](#)).

All corrections and comments from the Subdivision Committee must be addressed before your project can be scheduled for public hearing. Please submit the revised tentative map and any other documents that address the Subdivision Committee’s comments by August 17, 2024, or your application may be denied due to inactivity.

LAND DEVELOPMENT DIVISION – SUBDIVISION
PARCEL MAP NO. 84356

Page 1/2
TENTATIVE MAP DATED 5/21/2024

The following report consisting of 8 pages are the recommendations of Public Works. The subdivision shall conform to the design standards and policies of Public Works, in particular, but not limited to the following items:

1. Details and notes shown on the tentative map are not necessarily approved. Any details or notes which may be inconsistent with requirements of ordinances, general conditions of approval, or Department policies must be specifically approved in other conditions, or ordinance requirements are modified to those shown on the tentative map upon approval by the Advisory Agency.
2. Easements are tentatively required, subject to review by the Director of Public Works to determine the final locations and requirements.
3. Easements shall not be granted or recorded within areas proposed to be granted, dedicated, or offered for dedication for public streets, highways, access rights, building restriction rights, or other easements until after the final map is filed with the Registrar-Recorder/County Clerk's Office. If easements are granted after the date of tentative approval, a subordination must be executed by the easement holder prior to the filing of the final map.
4. In lieu of establishing the final specific locations of structures on each lot/parcel at this time, the owner, at the time of issuance of a grading or building permit, agrees to develop the property in conformance with the County Code and other appropriate ordinances such as the Building Code, Plumbing Code, Grading Ordinance, Highway Permit Ordinance, Mechanical Code, Zoning Ordinance, Underground of Utilities Ordinance, Water Ordinance, Sanitary Sewer and Industrial Waste Ordinance, Electrical Code, and Fire Code. Improvements and other requirements may be imposed pursuant to such codes and ordinances.
5. Adjust, relocate, and/or eliminate lot lines, lots, streets, easements, grading, geotechnical protective devices, and/or physical improvements to comply with ordinances, policies, and standards in effect at the date the County determined the application to be complete all to the satisfaction of Public Works.
6. All easements existing at the time of final map approval must be accounted for on the approved tentative map. This includes the location, owner, purpose, and recording reference for all existing easements. If an easement is blanket or indeterminate in nature, a statement to that effect must be shown on the tentative map in lieu of its location. If all easements have not been accounted for, submit a corrected tentative map to the Department of Regional Planning for approval.

LAND DEVELOPMENT DIVISION – SUBDIVISION
PARCEL MAP NO. 84356

Page 2/2
TENTATIVE MAP DATED 5/21/2024

7. If applicable, quitclaim or relocate easements running through proposed structures.
8. Remove existing buildings prior to final map approval. Demolition permits and final sign-off from the building inspector are required from the Building and Safety office.
9. A final parcel map must be processed through the Director of Public Works prior to being filed with the Registrar-Recorder/County Clerk's Office, unless the final parcel map is waived by the Advisory Agency.
10. Prior to submitting the parcel map to the Director of Public Works for examination pursuant to Section 66450 of the Government Code, obtain clearances from all affected Departments and Divisions, including a clearance from the Subdivision Mapping Section of the Land Development Division of Public Works for the following mapping items; mathematical accuracy; survey analysis; and correctness of certificates, signatures, etc.
11. If signatures of record title interests appear on the final map, a preliminary guarantee is needed. A final guarantee will be required at the time of filing of the final map with the Registrar-Recorder/County Clerk's Office. If said signatures do not appear on the final map, a title report/guarantee is needed showing all fee owners and interest holders and this account must remain open until the final parcel map is filed with the Registrar-Recorder/County Clerk's Office.
12. Within 30 days of the approval date of this land use entitlement or at the time of the first plan check submittal, the applicant shall deposit the sum of \$2,000 with Public Works to defray the cost of verifying conditions of approval for the purpose of issuing final map clearances.

Park land obligation in acres or in-lieu fees:

ACRES:	0.00
IN-LIEU FEES:	\$0

Sections 21.24.340, 21.24.350, 21.28.120, 21.28.130, and 21.28.140, the County of Los Angeles Code, Title 21, Subdivision Ordinance provide that the County will determine whether the development's park obligation is to be met by:

- 1) the dedication of land for public or private park purpose or,
- 2) the payment of in-lieu fees or,
- 3) the provision of amenities or any combination of the above.

The specific determination of how the park obligation will be satisfied will be based on the conditions of approval by the advisory agency as recommended by the Department of Parks and Recreation.

The Representative Land Value (RLVs) in Los Angeles County Code (LACC) Section 21.28.140 are used to calculate park fees and are adjusted annually, based on changes in the Consumer Price Index. The new RLVs become effective July 1st of each year and may apply to this subdivision map if first advertised for hearing before either a hearing officer or the Regional Planning Commission on or after July 1st pursuant to LACC Section 21.28.140, subsection 3. Accordingly, the park fee in this report is subject to change depending upon when the subdivision is first advertised for public hearing.

The formula for calculating the acreage obligation and or in-lieu fee is as follows:

$$(P)\text{eople} \times (0.0030)\text{ Ratio} \times (U)\text{nits} = (X)\text{ acres obligation}$$

$$(X)\text{ acres obligation} \times \text{RLV/Acre} = \text{In-Lieu Base Fee}$$

- Where P = Estimate of number of People per dwelling unit according to the type of dwelling unit as determined by the U.S. Census
- Ratio = The subdivision ordinance provides a ratio of 3.0 acres of park land for each 1,000 people generated by the development. This ratio is calculated as "0.0030" in the formula.
- U = Total approved number of Dwelling Units.
- X = Local park space obligation expressed in terms of acres.
- RLV/Acre = Representative Land Value per Acre by Park Planning Area.

**SUBJECT: LAND DIVISION - TENTATIVE MAP - PARCEL
CASE: RPPL2023006265
PROJECT: PM84356
19500 S. RANCHO WAY COMPTON CA 90220**

Thank you for the opportunity to review the application and Tentative Map-Parcel request for the subject property. The project proposed a reversion to acreage.

Public Health recommends the clearance of the aforementioned project. The applicant provided a water "Will Serve Letter" from California Water Service dated October 31, 2023. In addition, the applicant provided an e-mail from Los Angeles County Sanitation Districts dated October 31, 2023, indicating that the site is currently serviced by the Districts. Any change of methods for the provision of potable water and wastewater shall invalidate this approval.

Public Health conditions for this project have been met as of the date of this letter. Public Health recommends clearance of the aforementioned project.
