COMMERICAL CANNABIS ORDINANCE PRESENTATION

On May 20, 2026, the Los Angeles County Office of Cannabis Management will provide an overview of the proposed Commercial Cannabis Ordinance and License Program. The program is intended to establish an equitable commercial cannabis licensing framework in the County's unincorporated areas, supported by objective zoning standards, operating requirements, and safeguards to regulate where and how commercial cannabis businesses may operate.

This presentation is intended to be informational. No action is required.
