CHAIR OPENING

1. **Opening Remarks**
2. **Roll Call**
3. **Land Acknowledgment**

The Land Acknowledgment Statement was led by Chair Moon representing the Second District. The County of Los Angeles recognizes that we occupy land originally and still inhabited and cared for by the Tongva, Tataviam, Serrano, Kizh, and Chumash Peoples. We honor and pay respect to their elders and descendants -- past, present, and emerging -- as they continue their stewardship of these lands and waters. We acknowledge that settler colonization resulted in land seizure, disease, subjugation, slavery, relocation, broken promises, genocide, and multigenerational trauma. This acknowledgment demonstrates our responsibility and commitment to truth, healing, and reconciliation and to elevating the stories, culture, and community of the original inhabitants of Los Angeles County. We are grateful to have the opportunity to live and work on these ancestral lands. We are dedicated to growing and sustaining relationships with Native peoples and local tribal governments, including (in no particular order) the: Fernandeano Tataviam Band of Mission Indians, Gabrielino Tongva Indians of California Tribal Council, Gabrieleno/Tongva San Gabriel Band of Mission Indians, Gabrieleno Band of Mission Indians - Kizh Nation, Yuhaaviatam of San Manuel Nation, San Fernando Band of Mission Indians, Coastal Band of Chumash Nation, Gabrielino/Tongva Nation, Gabrielino Tongva Tribe. As such, when speaking on an agenda item, comments should address the item on the agenda and no other issues.

Similarly, if speaking during public comment, comments should be limited to issues related to the business of the Regional Planning Commission.

There were no reports given by Counsel.

10. Director/Deputy Director

The Assistant Deputy Director reported that at yesterday's Board of Supervisors meeting, the Board received a presentation on the County's draft budget for FY 2026–27, noting significant financial constraints due to restricted revenues. Regional Planning has remained largely insulated from curtailments due to our involvement in the efforts in the Altadena and Palisades areas.

Regional Planning will serve as co-lead with the Department of Public Health on a report to the Board within 120 days regarding potential policy and regulatory considerations for large-scale AI data centers. Additional participating departments will include Public Works, Internal Services, the Fire Chief, the Chief Sustainability Officer, and County Counsel.

Regional Planning will also participate in upcoming motions led by the Department of Homeless Services aimed at reducing housing instability. These include initiatives to establish a local preference policy for housing developments and affordable housing and to recognize housing insecurity as a public health crisis.

Lastly, the Board approved several contracts related to our efforts for Capital Improvement Plans across several planning areas, including East and West San Gabriel Valley, South Bay, Westside, and Metro.
