Oak Tree Permit No. RPPL2024001753 is scheduled for continued public hearing on 3 December 2024. After reviewing the hearing package for the item, I have the following questions. Please be prepared to answer these questions at the hearing. I ask that you forward this memo to the applicant/owner and ensure this memo is posted on the public website for the item. It is possible that information presented at the hearing may prompt additional questions.

1. Please discuss the status of the emergency work performed to protect Oak Tree No. 3, and the tree's status after the recent rain.
2. Does the Emergency Oak Tree Permit issued by the Forester become part of the administrative record for this project?
