LAND ACKNOWLEDGMENT

1. The Land Acknowledgment Statement was led by Chair Moon representing the Second District. The County of Los Angeles recognizes that we occupy land originally and still inhabited and cared for by the Tongva, Tataviam, Serrano, Kizh, and Chumash Peoples. We honor and pay respect to their elders and descendants -- past, present, and emerging -- as they continue their stewardship of these lands and waters. We acknowledge that settler colonization resulted in land seizure, disease, subjugation, slavery, relocation, broken promises, genocide, and multigenerational trauma. This acknowledgment demonstrates our responsibility and commitment to truth, healing, and reconciliation and to elevating the stories, culture, and community of the original inhabitants of Los Angeles County. We are grateful to have the opportunity to live and work on these ancestral lands. We are dedicated to growing and sustaining relationships with Native peoples and local tribal governments, including (in no particular order) the: Fernandño Tataviam Band of Mission Indians, Gabrielino Tongva Indians of California Tribal Council, Gabrieleno/Tongva San Gabriel Band of Mission Indians, Gabrieleño Band of Mission Indians - Kizh Nation, Yuhaaviatam of San Manuel Nation, San Fernando Band of Mission Indians, Coastal Band of Chumash Nation, Gabrielino/Tongva Nation, Gabrielino Tongva Tribe. COUNTY COUNSEL REPORT

4. County Counsel stated for the record that while this is an online meeting, it is a public meeting the same as if it were held in person in the Commission's hearing room and rules that allow for an orderly meeting shall apply. As such, when speaking on an agenda item, comments should address the item on the agenda and no other issues.

Similarly, if speaking during public comment, comments should be limited to issues related to the business of the Regional Planning Commission.

If speakers do not remain on topic, they may be reminded by the Chair or myself to do so. Failure to discuss issues not related to the agenda item, may result in the loss of the right to speak on the item or other items, if directed by the Chair. In addition, speakers should refrain from conduct that is disruptive of the meeting. Doing so also could result in the loss of the right to speak on the agenda item or any other items.

Disruptive conduct can include, but is not limited to, threats made against other speakers, the Commission or its members, or any others participating in the meeting, profane comments not related to the agenda item, or disorderly or contemptuous behavior leading to a disruption of the orderly progression and holding of the meeting.

In such cases, the Chair will advise that the behavior is disruptive and direct that the speaker's microphone be disabled. That person may, however, continue to observe the meeting. Further, disruptive behavior communicated to the panelists of the meeting, which include the Commission and County staff, may result in the removal of that person from the meeting by disconnecting them from the online connection.
