

**DRAFT RESOLUTION
REGIONAL PLANNING COMMISSION
COUNTY OF LOS ANGELES
PROJECT NO. PRJ2025-003354
GENERAL PLAN AMENDMENT NO. RPPL202500323 & RPPL2025003977
SPECIFIC PLAN AMENDMENT NO. RPPL2025003977
ZONE CHANGE NO. RPPL2025003976
ENVIRONMENTAL ASSESSMENT NO. RPPL2025003254**

WHEREAS, the Regional Planning Commission (“Commission”) of the County of Los Angeles (“County”) conducted a duly noticed public hearing on April 29, 2026 to consider the General Plan Tune-Up 001 Project (“Project”), an amendment to the General Plan to establish the General Plan Tune-Up Program to implement an ongoing series of updates focused on correcting inconsistencies and errors and to implement the Project, the first in this series of periodic updates to ensure that the General Plan reflects current planning standards, regulatory requirements, and County practices; and

WHEREAS, the Commission finds as follows:

1. The General Plan was adopted by the County of Los Angeles Board of Supervisors (“Board”) on October 6, 2015;
2. Since that adoption, the County has enacted significant updates to address State planning law and County priorities (for example, the Safety Element Update and the Green Zones Program), and the General Plan has not undergone a systematic review to correct errors, clarify language, or incorporate subsequent State mandates and County guidance;
3. On October 15, 2025, the Commission initiated the General Plan Tune-Up Program (“GP Tune-Up”) to establish a new process for periodic revisions to enhance the usability of the General Plan and ensure consistency with State law and County practices;
4. The Project is the first in the new GP Tune-Up Program;
5. The Project’s proposed edits fall within two categories:
 - a. Administrative and Technical Corrections: typographical, grammatical, citation, pagination, cross references, labeling, and data transcription corrections; formatting and reference clarity improvements (headings, numbering, cross references, figure legends, and table captions); and updates to maps, figures, and datasets to reflect current information and correct inconsistencies without altering the General Plan’s policy direction. These edits include updates to the following Area Plan land use and zoning maps:
 - i. Specific Plan Amendment No. RPPL2025003977 (adopted June 2024)— Amends the Connect Southwest LA: A Transit

**REGIONAL PLANNING COMMISSION
PROJECT NO. PRJ2025-003254
DRAFT RESOLUTION**

- Oriented District (TOD) Specific Plan for West Athens-Westmont (also known as Connect Southwest LA Specific Plan) to update land use policy and zoning maps to reflect current and correct information in the previously adopted Metro Area Plan as part of the General Plan Planning Areas Framework; and
- ii. Zone Change No. RRPL2025003976 — Updates the zoning maps in the Metro Area Plan (adopted May 2025), Santa Monica Mountains North Area Plan (adopted May 2021) and Connect Southwest LA (adopted June 2024) to reflect current and correct information in the previously adopted community-based plans part of the General Plan Planning Areas Framework.
- b. Policy Alignment: text and policy edits to align General Plan language with State laws, regulations, and County guidance enacted or updated since adoption of the General Plan, including implementation of existing County policies and compliance with State mandates (for example, Senate Bill 743’s transition to Vehicle Miles Traveled analysis) and incorporation of previously adopted plans and assessments (for example, the Parks Needs Assessment);
6. Updates to the General Plan Land Use Policy and Zoning Maps (Exhibit D) are included as part of the administrative and technical corrections. Those updates were originally adopted by the Board as part of the Connect Southwest LA Specific Plan, Metro Area Plan, and the Santa Monica Mountains North Area Plan but were inadvertently omitted from the maps of the respective plans due to technical errors and therefore the updates do not represent new proposed changes. The corrections include updating the land use categories from the following: LU to MU, H18 to H30 and H30 to IL, as well as updating the zoning categories from the following: No Zoning to SP and A-1-5 to O-S;
 7. The Project is consistent with and supportive of the goals and policies of the General Plan, including:
 - Goal LU 1: A General Plan that serves as the constitution for development, and a Land Use Policy Map that implements the General Plan’s Goals, Policies and Guiding Principles.
 - Goal LU 2: Community-based planning efforts that implement the General Plan and incorporate public input, and regional and community level collaboration.
 - Goal M 7: Transportation networks that minimizes negative impacts to the environment and communities.
 - Goal P/R 3: Acquisition and development of additional parkland.
 - Goal P/R 4: Improved accessibility and connectivity to a comprehensive trail system including rivers, greenways, and community linkages;

**REGIONAL PLANNING COMMISSION
PROJECT NO. PRJ2025-003254
DRAFT RESOLUTION**

8. An Addendum to the General Plan Final PEIR (Exhibit C) was prepared in accordance with the California Environmental Quality Act (CEQA) and the County environmental guidelines;
9. Based on substantial evidence, the County determined that preparation of an Addendum pursuant to CEQA Guidelines Section 15164 is the appropriate environmental documentation for the proposed Project;
10. Pursuant to County Code Section 22.244.040, the proposed Project is consistent with the principles of the General Plan;
11. Pursuant to County Code Section 22.244.040, approval of the proposed Project will be in the interest of public health, safety, and general welfare by improving accuracy and clarity of the General Plan;
12. Pursuant to County Code Section 22.244.040, the proposed Project is consistent with other applicable provisions of Title 22, including Section 22.02.050 pertaining to zoning consistency with the General Plan;
13. Pursuant to Section 1.5.1 of the Airport Land Use Commission (ALUC) Review Procedures, all General Plan amendments must be reviewed by ALUC for consistency with the County Airport Land Use Plan (ALUP), if the General Plan amendment includes areas that are within an airport influence area. The Project includes administrative revisions to the General Plan. It does not modify land use designations, development standards, or other land use regulations. Additionally, the amendment does not approve or authorize any specific projects and does not affect airport influence areas. The ALUC Administrative Officer reviewed the proposed amendment and determined that the action is consistent and compatible with the ALUP;
14. County departments and agencies, including Public Works, Parks and Recreation, Public Health, and Economic Opportunity, were consulted during preparation of the Project. The Project incorporates input received from these departments and agencies;
15. Pursuant to Section 22.222.120 of the County Code, the public hearing notice was published in 14 local newspapers, email notices were sent to 597 contacts, including community-based organizations, and the public hearing notice and related materials were posted on the project website and Legistar;
16. Staff engaged in the following outreach and engagement efforts:
 - a. A countywide virtual community meeting was held on 12/10/25, with approximately 80 attendees.
 - b. Five newsletter email blasts were sent to a mailing list of over 16,000 people.

**REGIONAL PLANNING COMMISSION
PROJECT NO. PRJ2025-003254
DRAFT RESOLUTION**

- c. A website with project materials was established and meeting presentation materials, a recording of the 12/10/25 meeting, and the public review draft of project documents were posted on 12/8/25 for a 45-day review period.
 - d. To provide language access, written materials, such as the Project fact sheet and the public hearing notice, were translated into Spanish and Chinese. In addition, live interpreters were present at the community meeting to translate the meeting into Spanish and Chinese. The translated meeting recording are posted on the project website.
 - e. There was an email blast to 597 stakeholders to notify them of the 30-day public review period, which began on 3/29/26.
 - f. Library packages, which include the public hearing notice and the CEQA EIR Addendum were sent to 89 County libraries.
 - g. The public hearing notices were posted at the seven LA County Planning field offices.
 - h. Virtual appointments with a project planner to discuss topics related to the Project were provided.
 - i. A social media campaign on the department's Facebook, Instagram, LinkedIn and X pages was implemented to provide information on the Project.
17. Relevant State agencies were consulted pursuant to Government Code requirements, and California Native American tribes were notified pursuant to Senate Bill 18. No requests for consultation were received; and
18. The Commission conducted a duly noticed public hearing on April 29, 2026, to consider the Project.

THEREFORE, BE IT RESOLVED THAT the Regional Planning Commission recommends to the Board of Supervisors of the County of Los Angeles as follows:

1. That the Board holds a public hearing to consider the Project;
2. That the Board certifies the Addendum to the previously certified General Plan Final EIR, Environmental Assessment No RPPL2025003254, has been completed in compliance with CEQA and reflects the independent judgment and analysis of the County; finds that the Board has reviewed and considered the information contained in the Addendum with the General Plan Update Final PEIR prior to approving the proposed Project;
3. That the Board determines that the Project is compatible with and supportive of the goals and policies of the General Plan and in the interest of public health, safety, and general welfare and in conformity with good zoning practice; and

DRAFT RESOLUTION**

4. That the Board adopts Project No. PRJ2025-004464, which includes General Plan Amendment No. RPPL2025003223(GP Tune-Up Program) and RPPL2025004151 (GP Tune Up 001 Project), Specific Plan Amendment No. RPPL2025003977 and Zone Change No. RPPL2025003976.

I hereby certify that the foregoing resolution was adopted by a majority of the voting members of the Regional Planning Commission on the County of Los Angeles on April 29, 2026.

Elida Luna, Commission Services
