8. PROJECT AND SITE PLAN DESCRIPTION.

A. Existing Site Conditions

The Project Site is 8.1 acres in size and consists of one legal lot. The Project Site is rectangular in shape with flat topography and is developed with a multi-tenant shopping center.

B. Site Access

The Project Site is accessible via Gale Avenue, an 80-foot-wide Secondary Highway in the County Master Plan of Highways, to the north. Primary access to the Project Site is via an entrance/exit on Gale Avenue. Secondary access to the Project Site is via an entrance/exit on Hacienda Boulevard.

C. Site Plan

The site plan depicts the related restaurant located in a tenant space within a multi-tenant shopping center at the southeast corner of Gale Avenue and Hacienda Boulevard. Parking is provided by surface parking lots in front of and behind the shopping center structure. The restaurant's floor plan depicts the dining area where food and beverage service occur. The sale and consumption of beer and wine will be restricted to this dining area.

D. Parking

While the request is for the sale of beer and wine for on-site consumption, the restaurant use in the subject tenant space was approved under Site Plan No. RPPL2023001630 with an occupancy load of 170 persons requiring 57 parking spaces. The shopping center contains 466 parking spaces and can accommodate these 57 parking spaces.

9. CEQA DETERMINATION.

Prior to the Hearing Officer's public hearing on the Project, LA County Planning staff determined that the Project qualified for a Class 1, Existing Facilities, categorical exemption from the California Environmental Quality Act (Public Resources Code section 21000, et seq.) ("CEQA"), the State CEQA Guidelines, and the Environmental Document Reporting Procedures and Guidelines for the County, because the Project involved the sale of beer and wine for on-site consumption at an existing restaurant as an accessory service to the restaurant's food service and does not significantly change the restaurant's current operations and does not involve any physical alterations to the tenant space. Additionally, the Project Site is not located within or in close proximity to a hazardous waste site, nor designated historic district. There are also no significant or unusual environmental impacts associated with the Project. The size and scope of the Project will not cause any cumulative environmental impacts to the area. Thus, there are no exceptions to the identified exemption.

10. PUBLIC COMMENTS.

Prior to the publication of the Report to the Hearing Officer, LA County Planning staff received four letters in support of the Project.

Hacienda Heights Improvement Association

The Hacienda Heights Improvement Association, in a letter dated October 31, 2024, does not oppose the CUP request.

11. AGENCY RECOMMENDATIONS.

A. County Sheriff's Department: Recommended approval in a letter dated June 11, 2024.

12. LEGAL NOTIFICATION. Pursuant to Section 22.222.120 (Public Hearing Procedure) of the County Code, the community was properly notified of the public hearing by mail, newspaper (*San Gabriel Valley Tribune*), and property posting. Additionally, the Project was noticed and case materials were available on LA County Planning's website. On February 26, 2025, a total of 442 Notices of Public Hearing were mailed to all property owners as identified on the County Assessor's record within a 1,000-foot radius from the Project Site, as well as 11 notices to those on the courtesy mailing list for the Hacienda Heights Zoned District and to any additional interested parties.

GENERAL PLAN CONSISTENCY FINDINGS

13. LAND USE POLICY. The Hearing Officer finds that the Project is consistent with the goals and policies of the Area Plan because the CG land use designation is intended for local serving commercial, office and professional businesses, retail and service establishments. The sale of beer and wine for on-site consumption at an existing restaurant supports the continued commercial use of the property.

14. GOALS AND POLICIES. The Hearing Officer finds that the Project is consistent with the following goals and policies:

The following policies of the General Plan are applicable to the proposed project:

- *(Policy LU 4.4) Encourage mixed use development along major commercial corridors in urban and suburban areas.*
- *(Policy LU 5.2) Encourage a diversity of commercial and retail services, and public facilities at various scales to meet regional and local needs.*

The Project allows for the sale of beer and wine for on-site consumption at an existing restaurant located in a shopping center at the major commercial intersection of Gale Avenue and Hacienda Boulevard. The Project allows the restaurant to offer alcoholic beverage service with its dining services and will help maintain an existing commercial service in the neighborhood.

The following policies of the Area Plan are applicable to the proposed project:

- *(Policy LU-3.1: Land Use Diversity) Enable a more diverse land use pattern to meet the needs of residents and employees, including increased housing options, viable commercial uses, a variety of employment opportunities, ample parks and open spaces, and a range of superior community services and amenities to support the mental, physical, emotional, economic, and social well-being of the community.*
- *(Policy LU-3.11: Commercial Use Flexibility) Provide flexibility in permitted land uses in commercially designated areas to allow a mix of retail, restaurant, small-scale institutional, office, and other compatible uses in commercial centers to prevent vacancies and increase accessibility to the community's everyday needs.*

The Project has the potential to enhance an existing restaurant's services by offering alcoholic beverages to complement their food service and will help maintain an existing commercial service in a neighborhood that has a mix of commercial and residential uses. The underlying restaurant is located in an existing commercial shopping center that supports a variety of other retail, restaurant, and commercial services.

ZONING CODE CONSISTENCY FINDINGS

15. PERMITTED USE IN ZONE. The Hearing Officer finds that the Project is consistent with the C-2 zoning classification as the sale of beer and wine for on-site consumption is permitted in such zone with a CUP pursuant to County Code Section 22.20.030.C (Land Use Regulations for Zones C-H, C-1, C-2, C-3, C-M, C-MJ, and C-R).

CONDITIONAL USE PERMIT FINDINGS

16. **The Hearing Officer finds that the proposed use at the site will not adversely affect the health, peace, comfort, or welfare of persons residing or working in the surrounding area; will not be materially detrimental to the use, enjoyment, or valuation of property of other persons located in the vicinity of the site; and will not jeopardize, endanger, or otherwise constitute a menace to the public health, safety, or general welfare.** While the Project is a request for the sale of beer and wine for on-site consumption, the existing establishment is a bona-fide restaurant where the sale of beer and wine for on-site consumption will be an ancillary service to the restaurant's food service as is customary for a typical restaurant. The proposed use has the potential to increase dining enjoyment and property values by bringing economic activity to the area.
17. **The Hearing Officer finds that the proposed site is adequate in size and shape to accommodate the yards, walls, fences, parking and loading facilities, landscaping and other development features prescribed in Title 22, or as is otherwise required in order to integrate said use with the uses in the surrounding area.** The Project Site is located in an existing shopping center that has been previously approved in conformance with all development standards prescribed under Title 22 (Planning and Zoning) of the County Code. The shopping center property is rectangular in shape and has an area of 8.1 acres. No physical expansion or changes are proposed as part of the Project.
18. **The Hearing Officer finds that the proposed site is adequately served by highways or streets of sufficient width and improved as necessary to carry the kind and quantity of traffic such use would generate, and by other public or private service facilities as are required.** While the Project is a request for the sale of beer and wine for on-site consumption, the Project Site is located at the major commercial intersection of Gale Avenue, an 80-foot-wide Secondary Highway on the County Master Plan of Highways; and Hacienda Boulevard, an 84-foot-wide Major Highway on the County Master Plan of Highways. These streets can handle all vehicular traffic generated by the commercial uses in the vicinity. The Project Site is serviced by all necessary public services and utilities that are needed for the Project Site's tenants.
19. The Hearing Officer finds that to ensure continued compatibility between the Project and the surrounding land uses, it is necessary to limit the CUP to 10 years.

SUPPLEMENTAL FINDINGS

20. **The Hearing Officer finds that the requested use at the proposed location will not adversely affect the use of a place used exclusively for religious worship, school, park, playground, or any similar use within a 600-foot radius.** There are two churches that are located within 600 feet of the Project Site. The subject establishment is a bona fide restaurant with proposed beer and wine sales as an ancillary part of their food service. The CUP includes conditions to prevent alcohol sales and consumption from being a disruption to these sensitive uses and to the surrounding neighborhood. The subject restaurant itself does not face these two churches and the church locations

are buffered from the shopping center by the major commercial streets of Hacienda Boulevard and Gale Avenue.

21. **The Hearing Officer finds that the requested use at the proposed location is sufficiently buffered in relation to any residential area within the immediate vicinity, so as not to adversely affect said area.** The subject restaurant is located in a tenant space within a multi-tenant commercial shopping center. The closest residential properties to the Project Site are located to the north and the south of the shopping center. The residences to the north are buffered from the subject restaurant by the shopping center's parking lot and by Gale Avenue. The residences to the south face the rear of the shopping center where there are no business entrances and are buffered from the shopping center by a rear parking lot. Alcoholic beverage sales at the establishment shall be limited to the hours of 10:00 a.m. to 10:00 p.m. daily to avoid any potential early morning or late night adverse effects to the area.
22. **The Hearing Officer finds that the requested use at the proposed location will not adversely affect the economic welfare of the nearby community.** The existing establishment is a bona-fide restaurant where the sale of beer and wine for on-site consumption will be an ancillary service to the restaurant's food service as is customary for a typical restaurant. The proposed offering of beer and wine with the restaurant's food service enhances customers' dining experience and has the potential to increase economic activity in the shopping center.
23. **The Hearing Officer finds that the exterior appearance of the structure will not be inconsistent with the exterior appearance of commercial structures already constructed or under construction within the immediate neighborhood, so as to cause blight, deterioration, or substantially diminish or impair property values within the neighborhood.** The sale of beer and wine for on-site consumption at the restaurant would not alter the existing exterior appearance of the shopping center's structure.
24. **The Hearing Officer finds that even though the proposed sale of alcohol would occur at a site within a high crime reporting district and in an area of undue concentration, pursuant to the California Alcoholic Beverage Control Act and the regulations adopted under that Act, the sale of alcohol at the subject property contributes to the public convenience or necessity.** The California Department of Alcoholic Beverage Control ("ABC") reported that the Project Site is located in a census tract with an overconcentration of on-site alcohol licenses and in a high crime reporting district. The sale of beer and wine for on-site consumption at the restaurant is a complementary and customary service that is typical for a full service restaurant. Other nearby restaurants also serve alcoholic beverages as part of their dining service. By having alcoholic beverages available for on-site consumption, the restaurant can provide a public convenience to its customers by offering beverage service that complements their food selection and is a similar service offered by nearby restaurants. To ensure continued compatibility between the Project and the surrounding land uses, the CUP grant term is limited to 10 years.

ENVIRONMENTAL FINDINGS

25. The Hearing Officer finds that the Project is exempt from the California Environmental Quality Act pursuant to State CEQA Guidelines section 15301 (Class 1, Existing Facilities categorical exemption). The sale of beer and wine for on-site consumption at an existing restaurant will be an accessory service to the restaurant's food service and does not change the restaurant's current operations and does not involve any physical alterations to the tenant space. Additionally, the Project Site is not located within or in close proximity to an environmentally sensitive area, a hazardous waste site, nor designated historic district. There are also no significant or unusual environmental impacts associated with the Project. The size and scope of the Project will not cause any cumulative environmental impacts to the area. Thus, there are no exceptions to the identified exemption.

ADMINISTRATIVE FINDINGS

26. **LOCATION OF DOCUMENTS.** The location of the documents and other materials constituting the record of proceedings upon which the Hearing Officer's decision is based in this matter is at LA County Planning, 13th Floor, Hall of Records, 320 West Temple Street, Los Angeles, California 90012. The custodian of such documents and materials shall be the Section Head of the Puente Whittier Development Services Section, LA County Planning.

BASED ON THE FOREGOING, THE HEARING OFFICER CONCLUDES THAT:

- A. The proposed use with the attached conditions will be consistent with the adopted General Plan.
- B. The proposed use at the site will not adversely affect the health, peace, comfort or welfare of persons residing or working in the surrounding area, will not be materially detrimental to the use, enjoyment or valuation of property of other persons located in the vicinity of the site, and will not jeopardize, endanger or otherwise constitute a menace to the public health, safety or general welfare.
- C. The proposed site is adequate in size and shape to accommodate the yards, walls, fences, parking and loading facilities, landscaping and other development features prescribed in Title 22, or as is otherwise required in order to integrate said use with the uses in the surrounding area.
- D. The proposed site is adequately served by highways or streets of sufficient width and improved as necessary to carry the kind and quantity of traffic such use would generate, and by other public or private service facilities as are required.
- E. The requested use at the proposed location will not adversely affect the use of a place used exclusively for religious worship, school, park, playground, or any similar use within a 600-foot radius.
- F. The requested use at the proposed location is sufficiently buffered in relation to any residential area within the immediate vicinity, so as not to adversely affect said area.

- G. The requested use at the proposed location will not adversely affect the economic welfare of the nearby community.
- H. The exterior appearance of the structure will not be inconsistent with the exterior appearance of commercial structures already constructed or under construction within the immediate neighborhood, so as to cause blight, deterioration, or substantially diminish or impair property values within the neighborhood.
- I. Even though the proposed sale of alcohol would occur at a site within a high crime reporting district and in an area of undue concentration, pursuant to the California Alcoholic Beverage Control Act and the regulations adopted under that Act, the sale of alcohol at the subject property contributes to the public convenience or necessity.

THEREFORE, THE HEARING OFFICER:

- 1. Finds that the Project is exempt from the California Environmental Quality Act pursuant to State CEQA Guidelines section 15301 (Class 1, Existing Facilities categorical exemption); and
- 2. Approves **CONDITIONAL USE PERMIT NO. RPPL2024002614**, subject to the attached conditions.

GENERAL CONDITIONS

1. Unless otherwise apparent from the context, the term "Permittee" shall include the applicant, owner of the property, and any other person, corporation, or other entity making use of this grant.
2. This grant shall not be effective for any purpose until the Permittee, and the owner of the subject property if other than the Permittee, have filed at the office of the Los Angeles County ("County") Department of Regional Planning ("LA County Planning") their affidavit stating that they are aware of and agree to accept all of the conditions of this grant, and that the conditions of the grant have been recorded as required by Condition No. 6, and until all required monies have been paid pursuant to Condition No. 9. Notwithstanding the foregoing, this Condition No. 2 and Conditions No. 3, 4, and 8 shall be effective immediately upon the date of final approval of this grant by the County.
3. The Permittee shall defend, indemnify, and hold harmless the County, its agents, officers, and employees from any claim, action, or proceeding against the County or its agents, officers, or employees to attack, set aside, void, or annul this permit approval, which action is brought within the applicable time period of Government Code section 65009 or any other applicable limitations period. The County shall promptly notify the Permittee of any claim, action, or proceeding and the County shall reasonably cooperate in the defense. If the County fails to promptly notify the Permittee of any claim, action, or proceeding, or if the County fails to cooperate reasonably in the defense, the Permittee shall not thereafter be responsible to defend, indemnify, or hold harmless the County.
4. In the event that any claim, action, or proceeding as described above is filed against the County, the Permittee shall within ten days of the filing make an initial deposit with LA County Planning in the amount of up to \$5,000.00, from which actual costs and expenses shall be billed and deducted for the purpose of defraying the costs or expenses involved in LA County Planning's cooperation in the defense, including but not limited to, depositions, testimony, and other assistance provided to Permittee or Permittee's counsel.

If during the litigation process, actual costs or expenses incurred reach 80 percent of the amount on deposit, the Permittee shall deposit additional funds sufficient to bring the balance up to the amount of \$5,000.00. 5. If any material provision of this grant is held or declared to be invalid by a court of competent jurisdiction, the permit shall be void and the privileges granted hereunder shall lapse.
6. Prior to the use of this grant, the Permittee, or the owner of the subject property if other than the Permittee, shall **record the terms and conditions** of the grant in the office of the County Registrar-Recorder/County Clerk (i.e., Recorder's Office). In addition, upon any transfer or lease of the property during the term of this grant, the Permittee, or the owner of the subject property if other than the Permittee, shall promptly provide a copy of the grant and its conditions to the transferee or lessee of the subject property.
7. **This grant shall terminate on April 15, 2035.** Entitlement to use of the property thereafter shall be subject to the regulations then in effect. If the Permittee intends to continue operations after such date, whether or not the Permittee proposes any modifications to the use at that time, the Permittee shall file a new conditional use permit application with LA County Planning, or shall otherwise comply with the applicable requirements at that time. Such application shall be filed at least 12 months prior to the expiration date of this grant and shall be accompanied by the required fee. In the event that the Permittee seeks to discontinue or otherwise change the use, notice is hereby given that the use of such property may require additional or different permits and would be subject to the then-applicable regulations.

9. The subject property shall be maintained and operated in full compliance with the conditions of this grant and any law, statute, ordinance, or other regulation applicable to any development or activity on the subject property. Failure of the Permittee to cease any development or activity not in full compliance shall be a violation of these conditions. No provision of any easement or any other encumbrance on the property shall exempt the Permittee and/or property owner from compliance with these conditions and applicable regulations. Inspections shall be made to ensure compliance with the conditions of this grant as well as to ensure that any development undertaken on the subject property is in accordance with the approved site plan on file. The Permittee shall deposit with the County the sum **\$2,280.00** which shall be placed in a performance fund and be used exclusively to reimburse LA County Planning for all expenses incurred while inspecting the premises to determine the Permittee's compliance with the conditions of this grant. The fund provides for **five (5)** inspections. Inspections may be unannounced and may be conducted

utilizing any available technologies, including, but not limited to, unmanned aircraft systems (UAS).

If additional inspections are required to ensure compliance with the conditions of this grant, or if any inspection discloses that the subject property is being used in violation of any one of the conditions of this grant, the Permittee shall be financially responsible and shall reimburse LA County Planning for all additional enforcement efforts necessary to bring the subject property into compliance. The amount charged for additional inspections shall be \$456.00 per inspection, or the current recovery cost established by LA County Planning at the time any additional inspections are required, whichever is greater.

10. Notice is hereby given that any person violating a provision of this grant is guilty of a misdemeanor. Notice is further given that the Regional Planning Commission ("Commission") or a Hearing Officer may, after conducting a public hearing, revoke or modify this grant, if the Commission or Hearing Officer finds that these conditions have been violated or that this grant has been exercised so as to be detrimental to the public's health or safety or so as to be a nuisance, or as otherwise authorized pursuant to Chapter 22.238 of the County Code.
11. All development pursuant to this grant must be kept in full compliance with the County Fire Code to the satisfaction of the County Fire Department.
12. All development pursuant to this grant shall conform with the requirements of the County Department of Public Works to the satisfaction of said department.
13. All development pursuant to this grant shall comply with the requirements of Title 22 of the County Code and of the specific zoning of the subject property, unless specifically modified by this grant, as set forth in these conditions, including the approved Exhibit "A," or a revised Exhibit "A" approved by the Director of LA County Planning ("Director").
14. The Permittee shall maintain the subject property in a neat and orderly fashion. The Permittee shall maintain free of litter all areas of the premises over which the Permittee has control.
15. All structures, walls and fences open to public view shall remain free of graffiti or other extraneous markings, drawings, or signage that was not approved by LA County Planning. These shall include any of the above that do not directly relate to the business being operated on the premises or that do not provide pertinent information about said premises. The only exceptions shall be seasonal decorations or signage provided under the auspices of a civic or non-profit organization.

In the event of graffiti or other extraneous markings occurring, the Permittee shall remove or cover said markings, drawings, or signage within 48 hours of such notification, weather permitting. Paint utilized in covering such markings shall be of a color that matches, as closely as possible, the color of the adjacent surfaces.

16. The subject property shall be developed and maintained in substantial conformance with the plans marked Exhibit "A." If changes to any of the plans marked Exhibit "A" are required as a result of instruction given at the public hearing, a modified Exhibit "A" shall be submitted to LA County Planning by **June 15, 2025**.
17. In the event that subsequent revisions to the approved Exhibit "A" are submitted, the Permittee shall submit revised plans to the Director for review and approval. All revised plans must substantially conform to the originally approved Exhibit "A". All revised plans must be accompanied by the written authorization of the property owner(s) and applicable fee for such revision.
18. The conditions of this grant shall always be retained on the premises and shall be immediately produced upon request by any County Sheriff, LA County Planning Zoning Enforcement ("Zoning Enforcement") inspector, or State of California Department of Alcoholic Beverage Control ("ABC") agent. The manager and all employees of the facility shall be knowledgeable of the conditions herein. Violation of the conditions herein may subject the use to the provisions of County Code Chapter 22.238 (Modifications and Revocations).
