Yard Modification No. RPPL2023000478 is scheduled for public hearing on 7 January 2025. After reviewing the hearing package for the item, I have the following question. Please be prepared to answer this question at the hearing. I ask that you forward this memo to the applicant/owner and ensure this memo is posted on the public website for the item. It is possible that information presented at the hearing may prompt additional questions.

1. Did the Department of Public Works specifically determine whether there were any line-of-sight issues for vehicles traveling on Valley Ridge Avenue or West 57th Street caused by the overheight fence?

Sincerely,

Gina Natoli, MURP, AICP
