DIRECTOR'S ACTION

The Director of Planning, by her action of March 6, 2024, has **APPROVED** the above-referenced Project pursuant to County Code Sections 22.44.940.E, 22.44.940.G and 22.44.1020. The appeal period for this ACDP ended on February 27, 2024.

PROJECT DESCRIPTION

The Project authorizes the construction of 32 roof-mounted solar modules, appurtenant equipment, and associated wiring affixed to an existing single-family residence. The Project is located entirely within habitat designated as H3 (significantly disturbed). The Project is located within the existing building site area of an authorized development. The Project qualifies for a Class 3 (New Construction or Conversion of Small Structures) Categorical Exemption from the California Environmental Quality Act (CEQA) (Public Resources Code Section 21000 et seq.), the State CEQA Guidelines, and the Environmental Document Reporting Procedures and Guidelines for the County, because this exemption specifically applies to small structures associated with an existing single-family residence.

Pursuant to County Code Section 22.44.940.I.2 if one-third or more of the full membership of the Commission so request, the issuance of an ACDP shall not become effective, but shall, if the applicant wishes to pursue the application, be treated as a Major CDP application subject to all provisions of the Santa Monica Mountains Local Implementation Program.
